I have the honour to be,
Sir,
Your most obedient servant,

With reference to your letter No.647 dated 23rd April 1948 returning the coins Treasure concerned in Gl.C.715/44-45 and stating that the cost, if any, for acquiring those coins would be paid by your Department, I have the honour to state that the said coins Viz.21 Gold coins and 15 Silver coins were got tested and weighed by a local goldsmith by name Bettachar who was summoned through the District Superintendent of Police, Mandya for the purpose of ascertaining their value.

The 21 gold coins which are all of varaha colour were found to weigh 6 tolas and 3 annas and their value at Rs.55/- per tola works up to Rs.340-5-0. The 15 silver coins which are stated to be Gittu Rupee coins were found to weigh 14¾ tolas and their value at Rs.1-4-0 per tola works up to Rs.18-7-0. Thus the total cost of the above mentioned gold and silver coins comes to Rs.358-12-0. As already ordered half the treasure vests in Government and the remaining half of the said treasure has been directed to be acquired on behalf of the Government by payment to the petitioners of a sum equal to the value of the portion of the treasure ordered to be delivered to them together with one fifth of such value in accordance with the provisions of section 17 of the Mysore Treasure Act 1910. Half the value of the said coins is Rs.179-6-0 and 1/5th of such value is Rs.35-14-0. Thus the total sum payable to the petitioners according to the above calculations is Rs.215-4-0. I, therefore, request you to deposit the said sum of Rs.215-4-0 in the District Treasury, Mandya to the credit of the petitioners and forward the relative chellan to this office for arranging payment to the concerned petitioners. As the petitioners are repeatedly pressing for the payment of their share, I request you kindly to treat this as very urgent. The above coins will be arranged to be returned to you soon after the above sum is deposited in the District Treasury, Mandya.
